Subject: Tenancy contract termination

Dear Sir / Madam,

My tenancy contract is expiring on 21-03-2025. Since I have moved place near Abu Dhabi. I have requested the Leasing team to extend the contract by three months i.e. June 30 so my children can finish school this year.

If it is not possible due to company policy, please consider this letter a formal notice to vacate the apartment within one month.

Pls contact me for any clarification ,

Regards
